ADDENDUM NO. 8
COUNTY OF TULARE – Sheriff and Fire Dispatch Project

Any Addenda issued by the Owner or Owner's Representative during the time of bidding are to be considered in the Bid and will become a part of the Agreement between Contractor and Owner. Bidders shall acknowledge receipt of all Addenda on the Bid Form in the space provided.

ITEM 1: Clarification

This addendum is to clarify Addendum 7, Item 2 Allowance. The allowance is to cover the design and installation of the Communications Tower and Support Building as a deferred submittal. This is an allowance and selection of a design firm and subcontractor is deferred, therefore, listing of these subcontractors on the subcontractor list is not required at the time of bid. These will be updated post bid. Furthermore, the allowance applies to all items that were shown in the Tower and Support Building Plans including the County provided and Contractor installed items listed as part of Addendum 7, Item 3. All items shown in the Dispatch Plans and Specifications as designed by Chas Rhoads Architect and his subconsultants are to be part of the base bid. This clarification is for informational purposes only. The County does not view this clarification and the issuance thereof as a material change to the project. Therefore, the bid due date remains unchanged.
