ADDENDUM NO. 6
COUNTY OF TULARE – Sheriff and Fire Dispatch Project

Any Addenda issued by the Owner or Owner's Representative during the time of bidding are to be considered in the Bid and will become a part of the Agreement between Contractor and Owner. Bidders shall acknowledge receipt of all Addenda on the Bid Form in the space provided.

ITEM 1: Communications Tower Electrical Sheet E4 Rescinded

The Communications Tower Electrical Sheet E4 included as a part of Addendum No. 5 Item 1 is hereby rescinded and shall not be included as a part of the contract documents.

ITEM 2: Communications Tower Building Electrical Allowance

The contractor shall include an allowance of \$100,000 for Tower Building Electrical Work in the lump sum bid for the Sheriff and Fire Dispatch Project. The Tower Building Electrical Work shall include design and installation of all the electrical work for the building adjacent to the communications tower. This work shall include, but is necessarily not limited to, the tower building lighting, receptacles, power feeds to the AC units, power feeds to the building equipment, the communications tower building electrical panel, conduit, wiring, and electrical design cost. The 50KVA Transformer listed on sheet ES.1 shall remain as part of the base bid for the project, and the allowance shall be for the electrical work to the building after the installation of the 50KVA transformer. The allowance shall not be used to cover the tower ground network on Sheet S-20, the entry ports and ground bar on sheets B-5 and B-9, or other items already included in the tower plans. The contractor shall provide a deferred submittal for the electrical design. The contractor shall provide a detailed cost for the use of the allowance. Refer to Section 00700 4.8 regarding the use of allowances.

ITEM 3: Section 00100 Interpretations, Addenda

The deadline for pre-bid questions is hereby extended to 5:00 p.m. January 14, 2021.
